

Social, Emotional, and Mental Health

- ~Increased availability and use of high quality social, emotional and mental health training and support.
- ~Increased number of supportive and nurturing environments that promote children's healthy social and emotional development.
- ~Increased number of environments, including early learning settings, providing early identification and mental health consultations.
- ~Improved knowledge and practice of nurturing behaviors among families and early childhood professionals.
- ~Increased number of mental health services for children with persistent, serious challenging behaviors.
- ~Decreased number of out-of-home placements of children.
