Development support

The Colorado Early Learning and Developmental Guidelines are intended to:

- improve families' and professionals' knowledge of child development;
- guide families and professionals working with children in planning and implementing developmental and learning activities;;
- inform or guide developmental support, instruction, assessment, and intervention; and
- provide unifying guidelines that are embraced by and embedded in programs and services (e.g., early care and education, home visitation, medical homes, early intervention) across the comprehensive early childhood service delivery system.

Halloween Tips for Parents:

- Do not use masks. Masks make it difficult for children to see what's around them.
- Place strips of reflective tape on the back and front of costumes, so that drivers can better see your child.
- Costumes should fit properly to prevent trips and falls. Avoid items such as oversized shoes, high heels, long dresses and long capes.
- Put your child's name, address and phone number on the inside of their costume.
- Keep in mind that gum and hard candy can pose a choking risk for young children.
- Remove make-up before bedtime to prevent possible skin and eye irritation.
